PROFESSIONAL SUMMARY

Full Stack Developer with a strong foundation in **MERN Stack** technologies and hands-on experience developing RESTful APIs, Real-time and Responsive Web Applications. Experienced in ReactJs, NodeJs, ExpressJs, and MongoDB, with internship exposure for building production-level features. Detail-oriented problem solver eager to contribute to scalable, high-quality software solutions.

WORK EXPERIENCE

Revidd   **Sep 2025 – Jan 2026**
Software Developer Intern   Visakhapatnam, Andhra Pradesh
- Developed and maintained features for OTT mobile applications using React.js and React Native.
- Debugged UI issues, logic errors, and dependency-related crashes to improve application stability.
- Implemented new features based on business requirements and client feedback.
- Collaborated with frontend, backend, and QA teams to ensure smooth production deployments.
- Worked with React, Redux, JavaScript, Axios and Firebase in a production environment.

PROJECTS

DevTinder   **Live Demo**
Full Stack Web Application
- Built a Full-stack system, a developer matching platform with user registration, authentication, profile management, and connection features.
- Integrated Razorpay payment gateway for secure subscription and transaction processing.
- Implemented real-time one-to-one chat functionality using WebSockets and Socket.io.
- Developed RESTful APIs using Node.js and Express.js and integrated MongoDB for data management.
- Implemented secure authentication using JWT and password hashing (Bcrypt) with cookie-based session handling.
- **Tech Stack:** ReactJs, ReduxJs, NodeJs, ExpressJs, MongoDB, Tailwindcss, Socket.io, Razorpay, JWT, Bcrypt, Axios.

OmniFood & Natours Web Application   **Live Demo**
Frontend Web Application
- Developed responsive food ordering and tour booking web applications using React and modern CSS frameworks.
- Built reusable UI components and ensured mobile-first responsive design.
- Integrated API calls using Axios for dynamic data rendering.
- **Tech Stack:** HTML, CSS, SASS, JavaScript, ReactJs, Axios.

EDUCATION

Great Learning Academy and Udemy   **2023 – Present**
Fullstack Development (MERN) Certification

Nadimpalli Satyanarayana Raju Institute of Technology   **2019 – 2023**
Bachelor of Technology in Computer Science and Engineering

TECHNICAL SKILLS

Frontend: HTML, CSS, SASS, Bootstrap, Tailwind CSS, DaisyUI, JavaScript (ES6+), React.js, Redux.js, Axios
Backend: Node.js, Express.js, Python, Nginx, Firebase, Socket.io
Databases: MongoDB, Mongoose, SQL, SQLite, MySQL Workbench
Others: Git, GitHub, Linux, AWS, GCP, Vercel, Render, PM2, Postman, Jest, Responsive Design, OOPS, RESTful APIs, Web Sockets.
